Year 12

Year 12 Farewell Dinner

On Monday 7 November, Year 11 hosted the Year 12 Farewell Dinner at the Warren Services Club. All year 12 were excited and had a great time at their final Warren Central School function. They were joined by family and secondary staff. Year 11 were great hosts with the evening being chaired by Kaitlyn Cosgrove and Jacob Wilson. Earlier that day, year 11 decorated the auditorium and the room looked perfect. On the night, many of the year 11's worked behind the scene serving and waitressing. I would like to thank Amanda Brien and Cherie Gough for the venue, their help and the meals provided, Mrs Belinda Bell for taking photographs of year 12, Mrs Fisk, Miss Duncan and Ms Mayger for helping with the organisation. Thank you Mrs Robertson for making the cake, it was delicious. Mrs Hamilton

P & C MEETING
 Tuesday 29 November at 6pm
 Zoom link will be sent out prior.

Phoebe and Riley visiting the lizard near the office. Can you spot the lizard?

Social Skills

YOUR CHILD'S SELF ESTEEM

CHILDREN WITH POSITIVE SELF-ESTEEM

- + Feel liked and accepted
- + Feel confident
- + Feel proud of what they can do
- + Think good things about themselves
- + Believe in themselves
- + Seek out social situations

CHILDREN WITH NEGATIVE SELF-ESTEEM

- Are self-critical and hard on themselves
- Feel they're not as good as other kids
- Think of their failures rather than their successes
- Lack confidence
- Doubt they can do things well
- Feel unsure of themselves
- Don't join in

Year 10 Work Experience

Year 10 Work Experience will take place from **Monday 21 November until Friday 25 November (Week 7)**. Students have the option of doing a second week (or second placement at a different location) in Week 8. All students have received the required paperwork which needs to be returned by Friday 4 November. Students are responsible for finding their own placement locally or in Dubbo. Work experience is an invaluable opportunity for students to explore career interests and build employability skills.
Mrs Lovelock|Careers Adviser

Principal's Message

World Champion

It is not often as a Principal that one of your students becomes a world champion. Congratulations to Nicholas Christian who accomplished this in Melbourne in October. Nic became the world champion and world record holder in the 52kg powerlifting class. At the competition, he squatted 100kg, Benched 60kg and deadlifted 122.5kg for a total of 282.5kg. After speaking to Nic, he still believes he has a lot of improvement to come. We all can't wait to see his accomplishments in the future. Well Done Nicholas!

Stage 3 Excursion to Sydney

Last week, our Stage 3 students went on their annual excursion, this time to Sydney. The students were extremely well-behaved, with the school receiving an email from a woman in Collaroy to personally congratulate the school on our fantastic, engaged, focused and well-behaved students. This is another wonderful experience for students to be away with their peers. The school and the P&C heavily subsidise this excursion so students have the opportunity to go away and grow in terms of their social and emotional development. Holistic education is what we offer here at Warren Central School – catering for the academic, social, emotional, physical and spiritual needs of every child that attends our school. I am sure they have brought back many stories of their time in Sydney. I would like to thank Mrs Bruce, Mr Marshall and Mrs Maclean for a well-organised and exciting excursion.

P&C Fete

I would like to thank the P&C fete committee for the enormous amount of work they put into our major fundraiser. Monies raised go back to students in various ways to assist with their learning and development. I would also like to thank staff for the wonderful job they did in supporting this event and finally a big thank you to all the families and community members who came and supported us on the day.

Gold Coast Excursion

Currently, 33 students from Years 7-11 are enjoying themselves on this biannual excursion. For many students, this will be their first visit and I am hearing they are all having a great time. I am looking forward to all the stories when they get back to school next week. A big thank you to Miss Maxwell, Mrs Lovelock and Mr Armstrong for supervising the students and to the administration team for assisting with the organisation.

Good news stories you may not have heard about.....

Almost 4,000 hectares of koala habitat in Australia will be protected after the land was privately acquired for conservation. The habitat is home to more than 100 vertebrate species, including the endangered koala and 11 other animals listed as threatened. It's also surrounded on three sides by largely intact forest - allowing animals to move freely from place to place. (Guardian)

Oslo will become the world's first capital city to have an all-electric public transport system by the end of 2023. In the city's most recent tender, electric buses came in at 5% cheaper than diesel equivalents. "The maintenance is cheaper, it's also cheaper for the operators of the electric buses. All in all, this is a win-win situation." (Reuters)

KINDERGARTEN

MISS SQUIRES

Kindergarten have been working on becoming fluent readers and we have been practising in many different environments. We have been working in our classroom, outside in our playground and we even walked to Warren Shire Library to read and create. As an extra special treat for being such incredible learners, we stopped in at Ellerslie Lane on the way back to school for delicious milkshakes. Kindergarten should be proud of their hard work and achievements so far.

Kindergarten at the Warren Shire Library and left enjoying a treat at Ellerslie Lane.

Reminder If you can donate any boxes of tissues for your child's classroom? Greatly appreciated

WCS P & C Fete

On Thursday 3 November, the Warren Central School P & C Fete was held at school. Well done to everyone for volunteering their time, resources and donations to make our fete a wonderful and successful event. A fabulous fun afternoon was had by students, staff and the community.

Gold Coast Excursion

Secondary students

are thoroughly enjoying every moment at the Gold Coast while on their excursion this week. Highlights will be surfing, Wet 'n' Wild, Movie World and Dreamworld. A big thank you Miss Maxwell, Mrs Lovelock and Mr Armstrong for taking care of our students.

For the past three weeks, Warren Central School has held Kindergarten transition sessions for our 2023 Kinder class. Throughout the sessions they enjoyed participating in fine motor activities, art and craft, story time, imaginative play, school tours, PE games, a teddy bears picnic, a library lesson and lots more! Our current students were wonderful role models and loved welcoming our new students on the playground and around our school. Thanks for coming Kinder 2023, we can't wait for you to join our school community full time next year.

Kindergarten Transition

Year 5/6 Excursion

On the excursion we stayed at Collaroy Centre which had nice rooms and a big outdoor space to play. Over the week, we had a tour of The Rocks, we walked across the Harbour Bridge, and we had a tour and role play in Parliament House. We also went to Sea Life Aquarium which was cool because of all the fish but especially because I was hi-fived by an octopus. We also went through the State Library. The amount of items and books there was more than six million, which is jaw dropping. This Sydney excursion was the best school excursion.

Abigail Mauger - Year 5

Some highlights of our excursion were the Cable Wake Park on Monday, free time at the beach Wednesday afternoon and a surfing lesson at Dee Why beach. One of the best things is we went on a ferry to Manly and had some ice cream and drinks, which was amazing. Some of us played footy after dinner to make us tired so we could go to bed. In the end it was a great excursion.

Clare Bruce - Year 5

PBL

Respectful
Responsible
Learners

The Student of the Week program was established with the purpose of celebrating individual academic achievement as well as recognising students who model the PBL core values Respectful Responsible Learners. Congratulations to these students.

Week 4

Week 5

Assistant Principal Awards

Year 6 Transition

Our year 6 students had two fantastic and interesting days in the high school. They did activities, taster lessons and met some of the students that will be joining them from St Mary's in 2023.

Remembrance Day

On the 11 November, in order to pay our respect to all those who fought and died at war, our staff and students had one minute's silence at 11 am.

Captains Kaitlyn Cosgrove and Jacob Wilson, Prefect Drew Barnett and Alice Lovelock participated in the service for Remembrance Day at the cenotaph.

Students in class have had opportunities to learn about Remembrance Day, and the importance of honoring those who have served and continue to serve during times of war.

Year 1 made their own Remembrance Day Wreath

REMEMBRANCE DAY
NOVEMBER 11

"They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them."

Year 3 enjoying basketball on the courts with Amy Nolan from Basketball NSW who traveled from Sydney this week. Basketball is an intensive training program through Sporting Schools Grants for Year 3-6 students.

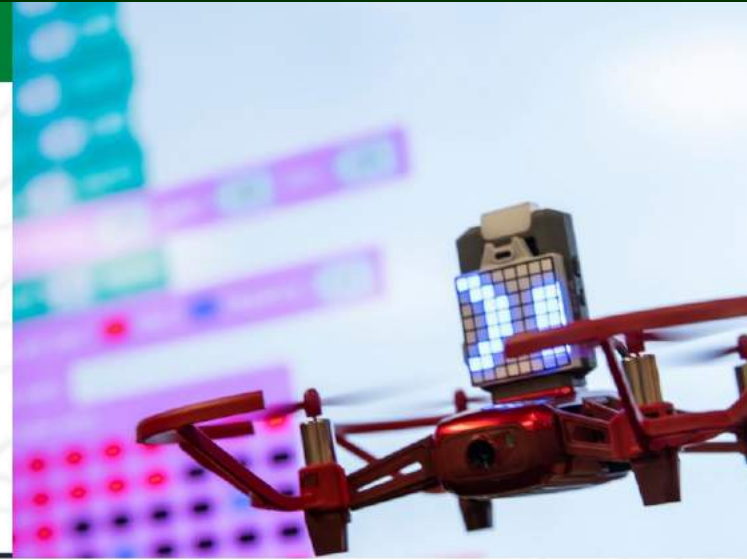

Secondary News

Mr Corby
Technology

TAKING FLIGHT

CODING NO LONGER BORING!

Our Year 7 Digital Technology class has been using their knowledge of coding to take their skills to all new heights! They have begun work on coded, repeatable, flight for drones.

PHASE 1

Students were split up into 3 teams and they had to create a series of promotional items to show why a new investor should hire them to operate a drone.

PHASE 2

The fun begins here. Students have been learning about coding for a while now and it's time to put their skills to the test. Students have had to code a series of successful missions that involve changes of direction, altitude and precision obstacle avoidance. Obstacle courses have been set up and conquered and only time stands in their way.

DRONES

Stage 4 Technology Mandatory

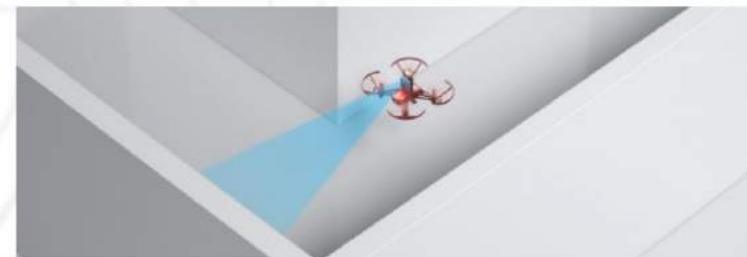

DRONE
FREAKS

THE AIR
DROIDS

H.A.B

PHASE 3

Up next will be a series of maneuvers that have students take direct control. The final challenge involves risking life and limb and requires absolute perfection from the whole team in order to succeed.

Moriarty

Year K-2 have been enjoying Moriarty football in Term 4. Each session focuses on fun, football activities as well as health and wellbeing components, like breathing exercises to begin to introduce ways to self-calm.

Year 2 students having fun playing soccer in the hall.

This week Moriarty had prizes for students to win, shirts and football boots. Congratulations to the winners in K-2.

Primary News

2023 kindergarten enrolments and orientation

Our new 2023 kindergarten students have attended three orientation sessions at the school. They have had a wonderful time with Miss Squires and participated in a variety of activities. Year 5 students assisted the children while in the playground and strengthened the relationships they have started to build during their visits to the Preschool during term 3 and this term. We look forward to having our little people at the school in term 1 next year. Kindergarten students start school after all the other students and their first attendance is usually to complete a Best Start assessment. More information, including appointment times, will be sent home to parents in a letter shortly. Don't forget that if you know of anyone that has a child ready to start school next year, please ask them to come to the school to collect an enrolment package. The 2023 school year will be here before we know it!

Stage 3 Sydney Excursion

It is safe to say that everyone, staff and students, had a wonderful time on the Stage 3 Sydney excursion.

School Swimming Scheme

The School Swimming Scheme will be beginning in week 7, November 21, for 10 days. The cost is \$20 if a season ticket is not held. Students will be transported by bus to the pool and back each day. Permission and information notes have been sent out to those students eligible to participate. Those students who are unable to swim 25m freestyle and are in years 2-4 are offered first places in the program.

Please send your notes and money back to ensure your child has a place in the program. This is a fantastic opportunity to assist your child to be safe over the summer.

Head Lice

What a pest! We have had a report that there are cases of head lice in the school. Please check your child's hair and treat if any lice or eggs are found. This is an ongoing problem through the warmer months and it is best to start trying to eradicate them now.

Beach to Bush

The Beach to Bush program will make a visit to our school on Tuesday 22nd of November. They will be working with students from Year 2, 3, 4, 5 and 6. They bring many valuable lessons to our students about being safe at the beach.

Year 6 Graduation

Another exciting item coming up on the calendar is our Year 6 Graduation.

When: Thursday 15 December at 9.30am

Where: JB Renshaw Hall

Who: K-6 students and the family and special friends of our Year 6 students.

Then what? The Year 6 students and their parents and special friends are invited to share a morning tea after the Graduation ceremony.

Following this the Year 6 students will spend the afternoon having some fun and enjoying some treats at the Warren Youth Centre from 1-2.50pm.

Talent show

Our talent show is nearly here. It would be wonderful to see as many parents, caregivers and community members as possible here to watch our students showcase their skills.

A note was sent home to allow for pre-ordering of a sausage sizzle meal. It's only \$5.00 per meal which includes a popper or soft drink. These will only be available by pre-order. Snacks and drinks will be available on the night to purchase – cash only. Entry per adult is \$5.00 and may be bought in advance or on the night. Children must be accompanied by a responsible adult.

Aboriginal Learning and Engagement Centre (AL&EC) News

Yaama,

Well done to all the AL&EC students who performed and helped at the fete!

A big gamba-du (thank you) to First Nations rock band, Emeralds Unearthed whose members are Zoey, Gracie, Jerome and Makai. Your performances were fantastic. Thank you to Kayden, Malaki and JayIn who assisted in setting up and packing up the sound equipment. Thank you to Summa and Michelle who helped with the karaoke! Thank you to Charlie and Nick who helped at the book stall.

Girls and Boys Dance

Well done to all dancers for your creativity in the choreography developed in your dances this term. Warraan Widji Arts is sponsoring the dancers and we thank Warraan Widji Arts for your generosity.

Ceramics and Art Exhibition

Our Place students will be holding their very own art and ceramics exhibition opening at the WOW Centre with Mr Mackay and Uncle Sooty from Coonamble. Family and friends please see the invitation in this edition of Jumbunna. All friends and family of Our Place students are invited to attend the opening at 2pm on 25 November 2022. Thank you to Barnardos, Outback Arts and River Smart Australia for making this possible.

Christmas Street Party 2 December

Warraan Widji Arts is sponsoring students to perform in the Wayilwan choir and Rock band at Warren's Christmas Street Party on 2 December. Information about this exciting opportunity will be sent out soon! Congratulations to all students selected to participate in this special event.

Mrs Irving
