2023

Once again, we are approaching the end of another school year. We have celebrated Year 12 Graduation dinner, Year 6 students graduation assembly and Presentation night. We applaud our students for a wonderful year with academic, sport and many other activities held throughout the year. This is a good time to thank parents and carers who have been by the students side for their amazing support. Thank you for the important role you play. The final day for all students will be this Friday 15 December. WCS would like to wish our families a relaxing break!

Principal Message

A Merry Christmas and safe New Year to all

This is the last edition of Jumbunna for 2023 and what a year it has been. With such a plethora of activities for students, many have seized multiple opportunities in their learning journey.

2023 Presentation Night

Last Thursday saw our school hall 'packed to the rafters' with all our deserving awards winners, parents/caregivers and friends celebrating their achievements throughout the year. I would like to congratulate all prize winners on your effort and rigour throughout the year.

K-6 Leadership Team for 2023

It is with great pleasure that I announce our primary captains and prefects for 2024.

Captains: Roger Denston and Paddy Bruce

Prefects: Raya Brandenburg and Zahlia Shakespeare

I would like to congratulate all seven of our nominees and commend our four leaders on being selected by their peers for this prestigious position in our school.

Staff Movement for 2024

Mrs Casey, Miss Martin, Miss Shaw, Mr Murphy and Mrs Whiteley will be leaving us at the end of this year. I would like to wish them all well in their future endeavours. Miss Vincent will be joining our primary teaching team in 2024.

Christmas Holidays and Term 1 2024 start date

Finally, to the students staff, parents/caregivers and wider community. It has been a wonderful year as Principal of WCS – how time flies from year to year! I would like to thank the staff for the wonderful contribution that each of them has made to the school this year. I would also like to wish everyone a safe and relaxing xmas period. All students (except Kindergarten) return on Thursday 8 February 2024.

See you all in 2024!

Marine

Congratulations to Year 9 Marine Technology students, Harry Taylor, Lewis Leonard and Joey Walker for successfully achieving their NSW Boat licence. The boys have been studying for quite some time and their hard work has paid off.

Mrs Robertson

Swim to Survive

The Swim to Survive scheme was recently run at the Warren Pool. It is a program designed to develop swimming and personal survival skills. Several students attended the pool everyday in week 8 to practice and there was a huge improvement in confidence and skill.

Mr Armstrong

Secondary News

The Secondary staff wish all our students and their families a Merry Christmas and Happy New Year. We have had a very productive year with our students being involved in many and varied activities from Public Speaking in Narromine, Running a Business Project in Commerce, Year 12 raising over \$1200 for the Starlight Foundation and sporting teams travelling away to name a few.

We welcomed in Term 1 Mr Saunders as our Science teacher. Ms Casey unfortunately is leaving this week to tour around Australia. Ms Casey will be missed for her organisational skills, commitment to PDHPE and to training sporting teams which have represented our school. Also Miss Martin is leaving us after 6 years at WCS. She has been teaching English and HSIE and fulfilled many other roles in the Secondary from Year Patron, PBL coach and netball coach. She will certainly be missed especially for her commitment to teaching and all its components.

The 7-10 reports will have the book requirement list inside them. If possible, please purchase books with margins. Calculators are available at the School Office.

Finally, we wish everyone a safe, healthy and happy holiday and will see you all in February.

Year 10 Work Experience

Many Year 10 students undertook work experience in Week 7 and/or Week 8. Students had the option of doing a one week placement, or a two week placement- most did two weeks.

Work experience is incredibly valuable. It enables students to explore their career interests, build their employability skills, observe a variety of work being done and to learn the importance of working safely.

Feedback from the students' supervisors was very positive and WCS is grateful to the many businesses who host our students each year. Thank you for the positive impact you are having on students' school to work journey.

Mrs Lovelock
Careers Adviser

Congratulations to the Warren Central School students who were recognised at the recent Presentation night held on Thursday 7 December in the JB Renshaw Hall. Presentation Night is a celebration of our students' talents and hard work in their academic and sport endeavours during 2023. The students that were presented with awards on the night were our highest achievers and we are exceedingly proud of them.

We would like to acknowledge, and say thank you, to the Warren community for its ongoing and valued support.

Congratulations to Miss Squires receiving the P&C Teachers Award. Miss Squires is the fifth recipient of the award. Well done to the ten teacher nominations! As Amy explained, to have your students nominate you is an achievement in itself.

A Sporting Blue is a prestigious award presented to students who have achieved outstanding success in their chosen sport while representing the NSW Combined High Schools Sports Association. The association encompasses 560 secondary schools, providing opportunities for over 360 000 students. A sporting blue is awarded to a maximum of 2 students per gender within each NSW CHS sporting program.

This year Fletcher Hunt was successfully nominated to receive a sporting blue from the Western Schools Sports Association.

Fletcher is an outstanding ambassador for school sport, representing western region and Warren Central School with distinction. He has excelled at the highest level in rugby league. Fletcher was selected in the NSW CHS Opens Rugby League team, the Western Secondary Rugby League Open team and the Greater Region Rugby League Opens teams of which he was the captain.

Fletcher is truly deserving of the Western Blue for Rugby League in 2023.

Unfortunately, due to football commitments Fletcher was unable to join us at Presentation night..

Fletcher's sporting blue was presented to his mother, greatest supporter, and sideline coach Erin Hunt.

CONGRATULATIONS

School swimming scheme

The school swimming scheme was a tremendous success with students improving their swimming skills and abilities throughout the two-week course. This year we were able to offer this program to 50 students.

We must thank Mrs Mayger, Mr Lovelock and Mr Armstrong, who took time out their busy schedules to drive the bus to and from the pool.

Student classroom requirements:

Most resources are supplied by WCS for all students; however, we ask that the following be supplied at the beginning of the year and replenished as required:

Kindergarten, Year 1 and 2 students

- Headphones in a snap lock bag with the child's name written clearly on the bag
- Box of tissues
- Water bottle
- Hat
- School bag
- Lunch box

Years Three, Four, Five and Six students

- 30cm wooden ruler (mm markings)
- Quality HB lead pencils
- Pencil case: Eraser Glue stick Sharpener
- Coloured pencils
- Textas are optional
- Headphones in a snap lock bag with the child's name written on the bag
- Dictionary/Thesaurus (Collins is recommended) - Optional
- USB Thumb Drive for computer work (to leave at school).
- Box of tissues
- School bag
- Lunch box & drink bottle

All items need to be clearly labelled with your child's name. These items can be great Christmas gifts or stocking stuffers.

Fruit and vegetables

Throughout 2024 we ask that you please continue to send fruit and/or vegetables into the school as part of crunch and sip or your child's recess and lunch. We are very appreciative and thank the Warren Services Club for their kind donation of fruit each week, however, this is to supplement fruit that is sent in from home, not replace it. So, please remind your children to pack their fruit each day for a healthy snack.

Head Lice

With the school holidays nearly upon us, it is a great time to get on top of those little pests. Please keep checking your child's hair each week and treating as necessary. If you are unable to purchase the treatments, the other option is to use hair conditioner, which will stun the headlice, and then combing through the hair with the headlice comb. Although this will not kill the headlice it will help to minimise them. The only way to get on top of this annoying pest is to be vigilant and be regularly checking your children's hair.

We wish you all a safe holiday, a merry Christmas and a happy new year. See you in 2024.

Primary News

2023 has been a very busy year and everyone is looking forward to a well-earned holiday. 2024 is shaping up to be just as busy so please ensure you keep an eye on the parent portal, Facebook and Jumbunna so you don't miss anything.

2024 primary leadership team

This year we had a wonderful group of seven students who addressed their peers, staff and community members at a special assembly. All these students gave amazing speeches but only four can be part of the primary leadership team. Firstly, we congratulate all seven – Raya, Koda, Zahlia, Xavier, Alice, Paddy and Roger.

After voting has been counted, we congratulate:

Captains – Roger Denston and Paddy Bruce

Prefects – Raya Brandenburg and Zahlia Brouff

We look forward to working with you as the primary leadership team of 2024. An induction ceremony will be held early next year.

2024 kindergarten enrolments and orientation

Our new 2024 kindergarten students should have received a letter with details of their Best Start assessments. If you have not received a letter, or know of someone that has not, please contact the school office.

Best Start assessments will be with Miss Squires and Mrs Noonan at the start of the school year. Kindy students will have their first full day of school on 13 January 2024.

Don't forget that if you know of anyone that has a child ready to start school next year, please ask them to come to the school to collect an enrolment package. The 2024 school year will be here before we know it!

Our very dedicated P & C continually work hard to raise money for our school and we would like to say a huge thank you for your ongoing support each year.

President Amy and Canteen Manager Belinda. Thank you very much from all of us.
