

Dear parents, guardians and carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Principal

### ATHLETICS CARNIVAL - 2025

#### Athletics Carnival Success

What an incredible day we had at our annual Athletics Carnival on Friday 13 June!

We would like to extend our congratulations to all students who participated in the day. Whether you ran, jumped, threw, volunteered, or cheered from the sidelines, your efforts and enthusiasm made the carnival a wonderful celebration of school spirit and athletic achievement.

A special mention goes to Mitchell, who took out the title of overall champions this year. It was a close contest right to the end, with the final scores as follows:

Mitchell –	829
Macquarie –	821
Sturt –	690
Oxley –	480

It was fantastic to see so much sportsmanship, teamwork, and encouragement on display throughout the day. Every student should be proud of their contribution to what was a very successful and memorable event.

Thank you to all staff, volunteers, and families who supported the day – we couldn't have done it without you.

We look forward to an even bigger and better carnival next year!

Mrs R Hamilton  
Sports Coordinator

# Principal's Message

Dear parents, carers and community

As we wrap up another busy semester, our teachers are finalising student reports. These reports have been thoughtfully written in parent-friendly language to clearly communicate your child's growth, achievements, and areas for development. Reports will be sent home shortly, and we encourage families to attend our upcoming Parent-Teacher Nights to discuss progress and set goals for Semester Two.

A heartfelt thank you to our staff who consistently go above and beyond to support our school and broader community. From contributing to the recent fundraiser for Joelene and her family, to supporting the Warraan Widgi Arts (WWA) film and album premiere, your dedication is much appreciated. Special commendations to the students who performed at the WWA premiere - your talent and courage shone brightly.

We also enjoyed a wonderful Athletics Carnival recently - a day full of participation, sportsmanship and excellent organisation. It was fantastic to see students giving their best, cheering each other on, and proudly representing their houses. A huge thank you to the staff and volunteers who helped make the day such a success.

We were proud to display our students' work at the Warren Show, where many were recognised for their achievements through creativity and hard work. Thank you to the dedicated staff who coordinated the display and ensured our school was so well represented in the wider community.

I recently had the privilege of attending a reception with Her Excellency the Honourable Margaret Beazley, Governor of New South Wales, during her visit to Warren. I was incredibly proud to see our students involved in this formal occasion. They represented our school with excellence.

Our school captains, Maddie Marks and Ryan Stanley, travelled to Sydney on Wednesday 25 June, to visit Parliament House and Government House, where they participated in leadership activities and gained valuable insights into civic life and government. We know they have represented our school and our region with pride.

And finally, it's been fantastic to see so many of our students participating in sport through local clubs. Whether it's rugby league, league tag, netball, soccer, golf, squash or the recent horse event, we love seeing our students active, involved and demonstrating commitment, effort and great sportsmanship.

Thank you for your continued partnership. Together, we are making our school a place where every child feels known, valued and supported.

Kind regards

Ms Taylor  
Principal

Maddie and Ryan off to Sydney

### Exciting News for Warren Families!

Fly2Health is looking to bring Speech Therapy, Occupational Therapy, and Psychology services to Warren on a fortnightly basis for NDIS participants of all ages. They provide consistent, high-quality allied health support to regional communities, flying in the same clinicians each visit. If we get enough interest, a local clinic could be up and running within 4–6 weeks.

To express interest or submit a referral, head to:

□ <https://fly2health.splose.com/public-form/6a7e4197-c02b-4ccd-aecb-0ad1aef10c6c>

### NDIS Outreach Days at WCS

We are very excited to announce that we are commencing monthly NDIS Outreach days at WCS! A Local Area Coordinator will come out to our school to support children and families with the NDIS. Our first Outreach day will be on 30 June from 10am to 3pm. Each meeting takes about one hour to complete for anyone at our school already accessing the NDIS or wants to apply for the NDIS.

For children needing to apply for the NDIS, evidence of identity for the child and parent is required. This evidence of identity must include an original Australian Birth Certificate (citizenship documentation or Australian Passport as alternative) and two other forms of ID (Medicare card, Driver's License, Centrelink card, Australian Passport, etc).

For children without enough evidence of identity, a medical document or school report is suitable to be used as evidence of identity given it has their full name, DOB and residential address on it. Evidence of disability is also required to apply which should be information from treating professionals regarding diagnosis, treatments, functional capacity and the permanent functional impairment of the diagnosis.

If you would like to book a time, please contact Mrs Amanda Kater at school.

## News

Term 2 is coming to an end, and we are already getting set for a very busy Term 3. Please keep an eye out for notes in your child's bag, also check the parent portal, website, Facebook and the school sign for updates and handy information.

### EXCURSIONS

We have a few excursions coming up. Stage 3 will be heading to Lake Burrendong Sport & Rec Centre, Stage 2 are heading to Wellington Caves and Dubbo venues and Stage 1 are spending the day at the zoo. If your child is attending one of these excursions, please remember that payment must be finalised prior to the excursion and weekly or fortnightly payments are very welcome.

### PARENT TEACHER INTERVIEWS

Parent teacher interviews will be held on Tuesday 1 July. If you returned your interview request then you should have received a confirmation of time notice. If you have not returned your request form then please get in touch, we may have a spot available for you.

### NAIDOC week

NAIDOC week for 2025 is 6-13 July. This year's theme, "The Next Generation: Strength, Vision & Legacy," celebrates not only the achievements of the past but the bright future ahead, empowered by the strength of our young leaders, the vision of our communities, and the legacy of our ancestors.

### Public Education Week

Public Education Week 2025 will be held from 4-8 August, and this year's theme is Ignite your potential. This is a time to come together and celebrate the strength, diversity and achievements of NSW public education – where every student is supported to learn, grow and thrive.

### National Science Week

National Science Week runs from 9 to 17 August. Visit [scienceweek.net.au](https://scienceweek.net.au) for more information and some fun DIY science activities.

### School holidays

The last day of Term 2 is Friday 4 July, we wish everyone a happy and safe holiday and look forward to seeing you back at school on Tuesday 22 July.

### Sports

WCS annual athletics carnival was held on Friday 13 June. Congratulations to all our students who competed and showed amazing sportsmanship by cheering on their friends. A list of placegetters is included in this Jumbunna. Students who qualified for the Gobondery/NARRAF athletics carnival on 28 August will receive notes shortly and should return them asap.

Western primary cross country trials were held on 11 June at Orange. Hayley, Olivia B, Kayden, George D, Dusty, Harvey, Hannah and Harlem all competed at these trials. Congratulations.

Ridley/Trudgett inter-schools netball gala day - This event will be held on Friday 4 July at Victoria Oval. If your child has nominated to play, they have already received their permission note, which should have been returned in week 8.

Sporting school's program - golf. Students in Years 3 to 6 are learning golf skills as part of the sporting schools' program. Most lessons are held on the school oval, but we are hoping to head off to the Warren golf course on Thursday 3 July. We thank the Warren golf course for their assistance to make this happen and allowing our students to have a hit free of charge. All lesson costs are covered by the sporting schools grant.

## YEAR 7 LOTE - WAYILWAN LANGUAGE

Year 7 continue to grow in cultural capability. They have been sharing ways to build Wayilwan language through Connections to Country. They have identified Wayilwan words around Warren, including the Ewenmar and Gunningba Creeks. Can you think of other Wayilwan words around Warren? The students have been identifying native birds, land and water animals at our local wetlands. They have been researching the Wayilwan word for each bird and animal. To consolidate their understanding of Connections to Country Year 7 visited the Warren Museum and Art Gallery to see Frank Wright's art exhibition. Well done Year 7!!

AL&EC team

## EDUCATION AND TRAINING OUT WEST

Thank you Kerry and Cathy for working with Aboriginal students in Years 10 and 11 at our school during Term 2. The students are developing personal statements and resumes to prepare them to apply for university entry and trades pathways. They are learning how to answer questions according to the criteria for scholarships and how to understand the related terminology. The students have learned how to navigate databases for Aboriginal Scholarships. Lucy Clark is hoping to study Law and Criminology and Holly Fitzgerald is hoping to study Sonography.

CELEBRATE  
your mistakes  
it means  
you're  
Learning

## BEANIE FOR BRAIN CANCER

Beanies for Brain Cancer took place on Wednesday, 18 June. Students and staff were encouraged to wear blue or maroon in reference to State of Origin Game 2, along with a beanie to show their support. Gold coin donations were collected, with all proceeds going directly to the Mark Hughes Foundation to support brain cancer research. As part of the day's activities, secondary students participated in a sprint race, with Chlive Deguit taking out the win and receiving a block of chocolate and a beanie as a prize. Overall, it was a successful day with great student and staff participation, all showing their support for this important cause.

Miss Lefebvre|SRC Coordinator

## 3/4 PROTONS

On Friday 20 June the fantastic 3/4 Protons were celebrating filling their third feather for the year. Our eagles wings are filling fast and the Protons are certainly doing their fair share. The class dressed in their winter pajamas, had some free time on the iPads, watched a movie and had a hot chocolate with marshmallows. Looking forward to our next reward!

Ribbons

Primary students enjoyed a fun-filled mufti day on 12 June, topped off with a disco in the afternoon. The theme was superheroes, and there were plenty of capes, masks and heroic dance moves on display. A great day had by all!

## NETBALL AND NRL PROGRAMS

Netball and NRL Programs Prepare Students for Gala Day.

Throughout Term 2, students in Years 7 to 10 have been actively engaged in two exciting programs delivered through Sporting Schools NSW, with expert coaching provided by Netball NSW and the NRL.

As part of their PDHPE practical lessons, students participated in netball sessions. These lessons focused on developing essential movement and gameplay skills, including footwork, passing, shooting, and defensive strategies. The sessions were designed to build student confidence and enjoyment while improving individual and team performance.

In addition, NRL sessions were held during sport time, providing students with the opportunity to refine their communication and teamwork, while also learning about positioning and passing under pressure. These sessions were dynamic and inclusive, ensuring all students had the chance to develop key rugby league skills in a supportive environment.

These valuable experiences have laid a strong foundation for the upcoming Ronnie Gibbs Netball and Rugby League Gala Day, which will take place in Bourke during Term 3. Students are looking forward to showcasing what they have learned.

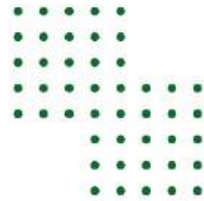

Mrs R Hamilton|Sports Coordinator

# Secondary

## NEWS

We have had a very busy end to Term 2 with all secondary students completing assessment tasks and being involved in many extra activities. Years 7 - 11 reports will be going home next week (Week 10) and there will be a Secondary Parent / Teacher afternoon on Wednesday 2 July from 3:30 to 5:30pm in the secondary Agricultural room. The note with appointment timetable sheet has been sent home this week. If you would like an interview with any of your student's teachers please return the sheet. Your son or daughter can then get times that are suitable for their teacher and yourself. We encourage you to take advantage of this opportunity.

Enjoy the school holidays.

Mrs Hamilton|Head Teacher

## WHITE CARD

Tuesday 17 June, a group of Year 10 Careers students, along with several Year 11 students from WCS, successfully completed the 'Work Safety in the Construction Industry' qualification - commonly referred to as the White Card. The course was held on-site at WCS and coordinated by the Careers team. It was delivered by Scott Mazzucchelli, a trainer from RTO Public Schools NSW, Wagga Wagga. Scott praised the students for their enthusiasm and positive attitude, describing them as "a great group who were engaged and eager to learn." The students themselves were also highly engaged throughout the day and showed a strong willingness to learn. With this qualification, students are now eligible to participate in work experience and employment on construction sites across NSW.

Mrs Beer|Careers

## WAITRESSING

Last Thursday, students from Warren Central School had the valuable opportunity to assist in serving food at a special luncheon hosted by Warren Shire Council. The event was a significant occasion, attended by Her Excellency the Honourable Margaret Beazley AC KC, Governor of New South Wales. It was a memorable experience, and all students thoroughly enjoyed taking part. Miss Lefebvre

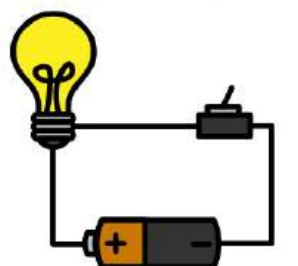

# YEAR 5/6

Circuit Creators at work this week when year 5/6 students became mini electricians, creating circuits inside cardboard houses. Using boxes, batteries, tape and foil, they explored how electricity flows and lights up their creative design.

## SCIENCE

# Warren SHOW

The Warren Show was held on 14 June, and our secondary students impressed everyone with their decorated cakes. There was also a fantastic range of entries in both art and writing, with students receiving awards for their creativity. Congratulations to all staff and students for contributing to a wonderful display.

**WINNER**

## Our Place Concert

K-6 classes have been working hard, learning songs in Wayilwan language this term

Budjirriwan, our junior rock band which is sponsored and tutored through funding accessed by Warraan Widji Arts will be performing!!

Thank you Aboriginal Children's Advancement Society (ACAS) for funding the flights and music lessons for our music teachers!

In the photos - Budjirriwan during rehearsals and performing at Warraan Widji Arts on the weekend at the Living Arts and Culture film launch!

As part of our NAIDOC Week celebrations we will be showcasing the songs learned in K-6 Our Place. Please join us at 2:10pm on Tuesday 1 July for our concert!
